

## **STEP BY STEP GUIDE FOR TENANTS**

I hope you find this guide helpful and that it assists in making your experience of renting trouble free and smooth going.

In many cases the flexibility of renting far outweighs the financial and emotional commitment to buying a property.

### **Finding a suitable property**

With our expert knowledge we can advise you of the pros and cons of the areas where you are considering renting thus saving you time and money in lengthy searches.

### **Using a reputable agent**

As a licensed member of ARLA (Association of Residential Letting Agents) you can be reassured that our advice is both professional and in your best interests.

### **Make sure you get in first**

The best properties are always the first to be snapped up. It is important that you are prepared to act immediately to secure the property you desire.

You will need to have all financial and personal information ready in order to lock out other potential competition. Please note some fees are not refundable.

Once you have found the property suited to your requirements, you will need to go through a formal application process.

### **Referencing**

1. Every occupant over 18 years will be required to complete a referencing application form. A link to an independent credit referencing agency will be sent to you by email to complete online.
2. Proof of identity in the form of a passport / driving licence to be provided with any application.
3. Proof of residency, a utility bill and copies of 3 months bank statements to be provided with any application.
4. A non refundable set up fee will be payable to enable us to begin the referencing process and subject to contract and referencing, secure the property.

It is important to note that the submission of the referencing application does not form a contract or any obligation by Bridgit Knowles Ltd or the Landlord.

The credit referencing agency will verify the information you have provided.

If a guarantor is required for your application they will also have to complete an application form via the independent credit referencing agency, who will verify the information provided.

### **Right to Rent**

The Applicant must provide a valid passport and visa or work permit to the Agent at the time of their application. The Applicant must provide full details of all persons over the age of eighteen years who will be residing in the Property at the start of the Tenancy (subject to contract, references and Right to Rent check) prior to signing the Tenancy Agreement and

taking occupation of the Property. The Applicant must confirm that if any additional occupiers or any occupier changes during the Tenancy the Applicant will inform the Landlord and the Agent promptly and ensure that the person or persons meets the Agent or the Landlord to enable a copy of their passport, visa to work or study in the UK and if applicable work permit to be taken.
